Join Union's Virtual Fellowship Hall!

Fun Fact: Because the room is set up without time restrictions, this space could be used by any church group (Unionizers?) throughout the week.

In the meantime, Unionizers can visit https://zoom.us/test to check their set up ahead of joining our actual call (details below).

One major thing: if folks at home only have phone line, that's okay! You can connect without the video/chat features—although obviously the communication will be limited to audio only, in that case.
