Individualized Education Plan (IEP) & Individualized Family Service Plan (IFSP) Information Sheet

Because of the diverse set of needs of the children in our program, it is important to gather as much information about the best ways to educate each child. IEP's and IFSP's are created by service providers working with children with special needs and include this information. The Keystone STARS Performance Standards therefore require each early learning provider to request copies of IEP's and IFSP's for the children in their care.

The information found on an IEP/IFSP is protected by privacy laws including Healthy Insurance Portability and Accountability Act (HIPAA).

Parent Sign-Off Sheet

Your child's growth and development is measured with developmental assessments. General Overview

There is a processing fee for both ACH and CC. **If you choose to pay with a CC, you will be responsible for an additional 2.9% processing fee.** The accepted credit card brands are Visa, Mastercard, American Express, Discover, JCB, Diners Club, and China UnionPay. **If you choose to link your bank account, we will cover the processing fee and there will be no additional charge for you!** You will be able to access your statements and account information at any time with your online portal or your app. If you have multiple children, your statements will all be on one child's profile to make it easier for you!

Monthly Tuition Processing

If you pay monthly, you will continue to receive your 5% monthly discount. Monthly tuition will be processed on the 1st of every month for that month and you will receive your statement five days prior. We are changing this processing date per the recommendation of our accountant and financial committee. For tax purposes, it will be easier to view all 12 monthly payments as they will consistently be processed the same date of every month. Once enrolled, payments will be automatically withdrawn from the account on file.

Additionally, you will be charged a flat monthly fee. This fee is based on our weekly rate and the months/weeks we operate. Our billing specialist accurately calculated our monthly rate for each room. **For example:** our infant room weekly rate is \$227.50, we are open 51 weeks per year (taking into account VBS week) and will charge for 12 months. $227.50 * 51 = 11602.50 / 12 = 966.88$ * .95 (monthly discount) = \$918.54 per month. Vacation weeks will still be credited as needed and should our center be closed for a full week for Christmas or for an unforeseen circumstance, accounts will be credited.

Weekly/Biweekly Tuition Processing

Weekly/Biweekly tuition will be processed the Friday prior to the week(s) being paid for. Statements will be sent one day prior to processing.

Tuition Discounts

Discounts will remain the same. Monthly Discount: 5% off, Sibling Discount: 10% off, Sibling AND Monthly: 15% off, 2nd sibling third child AND monthly: 20% off

**Each additional sibling will receive an additional 5% off – to find the actual % off, add 5 to the discount they are already receiving.*

Parental Communication regarding Emergency Operations Plan

To the Parent (s)/Guardian of _____.

This letter is to assure you of our concern for the safety and welfare of children attending Union Church Child Care. Our Emergency Operations Plan provides for responses to all types of emergencies.

There are 8 total copies of our Emergency Operations Plan and they have been distributed to the following: Childcare office, Emergency Transportation Bag, Infant Room, Allegheny County Emergency Management Agency, Robinson Township Emergency Management Agency, Robinson Township Police Department, Moon Run Volunteer Fire Department, and the Union Presbyterian Church Office.

Staff is trained annually on the Emergency Operations Plan and emergency drills are practiced at least every 60 days on site as mandated by the state.

Depending on the circumstance of the emergency, we will use one of the following protective actions:

- Immediate evacuation- Students are evacuated to a safe area on the grounds of the facility in the event of a fire, water break, hazardous material spill, etc.
- In-place sheltering- Sudden occurrences related to severe weather (winter storms, earthquakes, tornadoes, etc) may dictate that taking cover inside the building is the best immediate response. Threats of violence (lockdowns, intruders, trespassers, etc) may also require in-place sheltering.
- Total Evacuation- Total evacuation of the facility may become necessary as well. In this case, children will be taken to a relocation facility. Your child may have to be transported in a staff member's personal vehicle, a PAT bus, or a Montour School District bus.
- Modified Operation- May include cancellation/postponement or rescheduling of normal activities. These actions are normally taken in response to severe weather situations or building maintenance that make it unsafe for students to attend.

- In the event of a lockdown, no one will be allowed to enter or exit the building. We will notify authorities immediately of our lockdown state and wait until they clear our building. Parents will NOT be notified of the lockdown until after it has been lifted. This is to prevent any unnecessary traffic to and from our building during the lockdown.

Please refer to WPXI for announcements relating to any of the emergency actions listed above.

We ask that you not call during the emergency. This will keep the main line free to make emergency calls and relay information to the proper authorities.

We will post an alert to Bloomz, our parent communication app, as soon as possible.

We will then contact you via phone by calling the numbers listed in order on your child's Emergency Contact Form. Please always update your child's file anytime there is a change in one of these numbers.

We will let you know when an emergency has ended and how you can reunite with your child(ren).

The Child Pick-Up Authorization form designating persons to pick up your child is included with this letter for you to complete. This form is not in place of the Emergency Contact Form you fill out every six months. It is in addition to that form and will be used every time your child is released during an emergency situation. Please ensure that only those persons you list on the form as designated custodians attempt to pick up your child during an emergency.

I specifically urge you NOT to make alternate arrangements during an emergency. This will only create additional confusion and divert staff from their assigned emergency duties.

In order to assure the safety of your children and our staff, I ask for your understanding and cooperation. Should you have additional questions regarding our emergency operating procedures contact Kelsey Liwosz, Director of Union Church Child Care at (412) 787-7553 or childcare@unionpresbychurch.org.

Thank you.
