

Panama, January 2022

Hi, mi name is Marcos Jimenez and I am Panamanian.

I got to know Christ in 2013, when I was 14 years old at a church camp where I attended sporadically. Then I turned away from the Lord for a while, until I met a missionary family that did a meeting that they called “Hora Feliz”

(Happy Hour) and had a time with young people in my neighborhood, very close to my house, and they invited me to their meetings. I began to attend that place, to grow in my faith and to help where I could.

Sometime later I was invited to the Panama Word of Life Camp. It was a great week where I was able to reaffirm my decisions in my faith and I was challenged by God to serve in my church as well. Summer after summer I had the privilege of serving God as a staff member, and one season serving God as a camp counselor.

During that time God put in my heart the desire to study the Bible at the Bible Institute of Word of Life Argentina, but for several reasons I could not be able to go, until the opportunity to study online was presented to me. In 2020 I was able to

complete my first year of Institute and in 2021 I completed my second year of Institute.

Facing my third year, it is my prayer and I desire to be able to take it in person at the Bible Institute of Word of Life in Argentina, I know that God will do it if it is His will.

Currently I continue to serve God in my local church as part of the leaders in charge and also leading in the Bible Club of the church.

After finishing my studies at the Bible Institute, I have the weight in my heart to be part of the missionary team of Word of Life Panama and to serve in my local church.

I am grateful to God and to the people who were praying and offering to be able to fulfill what God is showing me to do in my life.

With love in Christ

Marcos Jimenez
