

YINDI LUO

Missionary in Panama

Dear brothers and sisters
in Christ:

What a blessing to count on
your prayers and friendship.
Can't wait to see what God has
ahead for us.

You are very special for me,
you are my very first church
supporting me officially!

Nothing better than go to the
mission field with you. Yes!
because we are ministering
together in Panama.

THANK YOU for being part of
my team of supporters.

MY STORY

...So far

I was born in China. At the age of four, my parents and I moved to Panama. I was not raised in a Christian home. My parents never taught me about God--or any of their gods--and we never went to any church. When I was 17, Word of Life Panama presented a drama in my high school; they preached the Gospel, but I was not interested at that time. When the drama ended, they were giving brochures for their summer camp. God led me to that camp in 2003; and for the very first time I heard that I was a sinner. I made a decision for Christ and trusted Him as my Savior on March 4th.

I started to go to a local church where other Word of Life missionaries were ministering. A former WOL Bible Institute student discipled me; and Bible Club was a key part of my spiritual growth. God challenged me to study at the WOL Bible Institute in Argentina, thinking on spending only one year to get to know the God who gave his life for me. Unexpectedly, I spent three years studying the Bible; and now was the time to decide what to do. Once again, God had different plans for me!

I felt his call through Numbers 18:20 The Lord said to Aaron, “You will have no inheritance in their land, nor will you have any share among them; I am your share and your inheritance among the Israelites”. A professor asked: is God enough for you? Despite not having a share in the Promise Land, the Levites will have the best part: God himself! I knew since that day, He was preparing me to serve Him.

I joined the Word of Life Panama staff in 2008 working with the youth of my country. What God did in my life through other Christians--most of them from WOL--is what I'm doing now: reaching youth with the Gospel of Christ.

WHAT WE DO?

Evangelism

Discipleship

Multiplying leadership

Word of Life creates faith-defining experiences that give students and families the opportunity to encounter God and grow in their spiritual walks.

Ministering through: camps, Bible Clubs, sport marathons, Discipleship Training School, Leadership conferences, and more.

TEEN'S CAMP

CHILDREN'S CAMP

Since I joined the WOL staff, I knew Evangelism and Discipleship were the goals of the ministry. Everything we do is because we want to share the Gospel of Christ.

I asked God to show me in what area specifically I could be a blessing. Despite not considering myself a creative person, suddenly I was enrolled in a very basic graphic design course. Our ministry has grown and so has the need to communicate in better ways with this generation.

I'm leading our Multimedia Department: graphic design, photos, videos, social media.

Also, I have graduated with an Administrative Management degree. This gave me the opportunity to help our ministry in the Administration area. One of my main responsibility is to coordinate the renting of our camp property to other Christian churches and schools.

My local church--Iglesia Esperanza y Misericordia--is located 30 minutes from the city. Recently, I started to coordinate the Sunday School.

PRAISE GOD

*I will praise God's name in song
and glorify him with thanksgiving.
Psalm 34:15*

At the end of 2021, I had the opportunity to help a new Bible Club of a Chinese Church located in a city called Penonome, about 2.5 hours from the city. Due to the pandemic, they were meeting virtually. It's always a challenge for me to work with Chinese churches. Some of them speak Hakka, Cantone, Mandarin, Spanish, or a mix of them. If you are wondering what I speak, I only speak a basic Hakka.

Recently I had Covid, only had minor symptoms.

From His provision. Never thought I would be able to raise support! Thankfully in 2021 my support level was over 94% what a blessing!

PRAY FOR

*The eyes of the LORD are on the righteous,
and his ears are attentive to their cry.
Psalm 34:15*

Summertime. If there's something that Panamenians know about WOL, is our summer camp.

We planned for 7 weeks of camp; then shorten it to 3 weeks, later to one day camp. Sadly, the Ministry of Health didn't give us permission; we won't have camp this time. Pray for our team and our ministry. We need to find other ways to share the Gospel.

To be faithful to our God. Lately, I have had the desire to continue studying the Bible in college or seminary. Pray that God provides me the resources to do that.

My family salvation. They are a very traditional Chinese family; and don't agree/like with what I do. They think Christianity is a thing about culture, only for western people.

My local church needs more Sunday School teachers. Our teachers are also serving in 2-3 other areas.

Maria Herrera. I have discipled Maria since she was 11 years, now she is praying to go to the Bible Institute. Pray that God provides her what she needs to be able to prepare to serve Him.
